Wednesday, June 1, 2012	1 st Day Summer Session

We follow the Williamson County School (WCS) Calendar. If they are closed, we are closed. This also applies to snow days. If they have a snow day, we will be closed for a snow day.

If Williamson County opens school late due to winter weather, it is best to call DLDS to listen to information for when we will open. Also an email will be sent to the email address we have on file containing information.
